LR 152, 153, 154

SENATOR LABEDZ: Mr. President, in Senator Lewis' absence, we ask unanimous consent to refer LR 152 to the Public Health and Welfare Committee for a hearing.

PRESIDENT: I don't think we can do that. I think we do have to vote on reference but that is all right. There is a motion to refer LR 152 to the Public Works Committee, Senator, is that correct? That is the motion. Discussion. Record your vote. Public Health Committee, excuse me. Record.

CLERK: 27 ayes, 0 nays, Mr. President.

PRESIDENT: Motion carries. The bill is so referred. LR 152. LR 153.

CLERK: Mr. President, LR 153 is offered by Senator Rasmussen. It was read yesterday. It can be found on Journal page 264. Read resolution.

PRESIDENT: The Chair recognizes Senator Rasmussen.

SENATOR RASMUSSEN: Mr. President, members of the body, I think the resolution pretty well speaks for itself. Cy, as we know him out home, has worked with irrigation for probably from 30 to 35 years, and of course receiving the Four-State Head Gate Award is something that would make anybody feel very good. So with your indulgence, I would ask that the resolution as before us be passed by the Legislature and forwarded on to Cyril P. Shaughnessy at St. Paul.

PRESIDENT: Any discussion. Senator Kremer.

SENATOR KREMER: Mr. Chairman, just a word in support as some of us have known Cy Shaughnessy for a long, long time and, frankly, I don't know of any one that lives in the Loup area who has done more work to promote good management and conservation of Nebraska's resource, especially in the Loup River Basin area, and I just want to support Senator Rasmussen's resolution to give this recognition to Mr. Shaughnessy.

PRESIDENT: Any further discussion. The question then is the adoption of the Shaughnessy resolution, LR 153. Record your vote. Have you all voted? Record.

CLERK: 30 ayes, 0 nays on the adoption of the resolution, Mr. President.

PRESIDENT: The resolution is adopted. LR 154.

CLERK: Mr. President, LR 154 was introduced by Senator Keyes, Senator Simon, Senator Hefner, Senator Burrows and Senator Newell. It was read yesterday. It can be found on Legislative Journal page 267. Read resolution.

PRESIDENT: Senator Orval Keyes of Springfield.

SENATOR KEYES: Mr. Speaker, these are two resolutions that I would like to have sent to the Revenue Committee. They deal with the personal property on Offutt Air Force Base, 154 and 155, and the Commander of the Base has said that the information that we want, if he can't give it to us, he
